Re: April Meetings for Authority

Arkansas EPSCoR Committee to Meet at Authority on April 13

The Arkansas Experimental Program to Stimulate Competitive Research (EPSCoR) Committee will meet in the fourth floor conference room at 100 Main Street in Little Rock Thursday, April 13, at 1:30 p.m. The public is invited to attend.

EPSCoR attempts to increase federally supported research in Arkansas institutions of higher education. Its goal is to bring Arkansas' science and engineering research to nationally and internationally competitive levels.

The Arkansas Science & Technology Authority serves as a statewide funding resource for high quality scientific and technological projects. The Authority endeavors to bring the benefits of science and technology to the people and state of Arkansas through scientific research, technology development, business innovation, and education.
